

# **SoulSpark AI**

## **Sports Teams Partnership Guide**

Helping the next generation grow spiritually, emotionally, and sociallyâ one soul at a time.

## About SoulSpark AI

SoulSpark AI is the first AI-powered soul-care platform built to help Gen Z and Millennials build emotional resilience, grow spiritually, and reconnect with their God-given identity â in just 1â3 minutes a day. Designed for modern organizations, SoulSpark uses personalized AI, spiritual wellness, and real-world impact to care for your people and communities.

## Why Sports Teams Partner with SoulSpark AI

- â Build mental strength and emotional resilience in athletes
- â Provide a daily space for grounding and growth
- â Support team chaplains and coaches with AI-powered care
- â Foster identity beyond performance and competition

## Partnership Benefits

- â Boosts belonging and spiritual wellness
- â Improves retention and resilience
- â Daily engagement in under 3 minutes
- â Real-time emotional and spiritual trends
- â Create tangible impactâ meals donated for every action

## Easy Setup for Your Org

1. Sign up for a SoulSpark AI Partner Plan
2. Invite your members via custom link or code
3. Customize your experience (branding, spiritual tone)
4. Track well-being and engagement from your dashboard
5. Celebrate growth and global impact together

## Real-World Impact

Every action your members take in SoulSpark â a prayer, check-in, or reflection â unlocks a meal for a child in need. This turns personal growth into global hope.
