

SoulSpark AI Partnership Guide

Colleges & Universities

Empowering the Next Generation â One Soul at a Time

About SoulSpark AI

SoulSpark AI is an AI-powered soul-care platform making it easy and personal for Gen Z and Millennials to access faith-centered, emotionally intelligent support for their mental, emotional, and spiritual wellbeing. Through partnerships with B2B organizations like employee resource groups, colleges, and professional sports teams, SoulSpark is closing the spiritual and emotional care gap for the next generation.
